Part C

POLICY FEATURES, BENEFITS & CONTRIBUTION PAYMENT CONDITIONS

1. Policy Features

- 1.1. MetLife Traditional Employee Benefits Plan is a fund based, group non-linked variable insurance product which offers a comprehensive solution for employers to outsource the administration of their Leave Encashment & Gratuity fund to **Us**. Interest on this **Fund** will be credited by **Us** on a regular basis in the manner described below.
- 1.2. The **Contributions** received will be placed into a single **Fund** and the further **Contribution** received in each quarter of the **Financial Year** will be tracked separately through **Our** in-house mechanism.
- 1.3. **Crediting Interest to the Fund:**
 - (a) The interest rate applicable for a quarter would be declared (as a rate p.a) by **Us** at the beginning of each quarter in each **Financial Year** depending on the prevailing yields provided that the interest rate declared by **Us** will not be less than the minimum guaranteed floor interest rate of 2%pa or such minimum guaranteed interest rate which is specified by the **IRDA of India** from time to time. Once an interest rate has been declared, that rate will remain valid for the quarter of the **Financial Year** in which it has been declared and will apply to the **Fund Value** as well as the **Contributions** received in that quarter which are placed in the **Fund**.
 - (b) The invested assets will be earmarked separately and the policy account value of the **Group Policy** will be disclosed by **Us** on daily basis on **Our** website under an assigned identification number "SAIN".
 - (c) Non-zero positive additional interest rate will be credited at the end of each quarter of the **Financial Year**. The additional interest rate would be the last weighted interest declared by Our Investment Team less the floor interest rate less 40 basis points as Fund Management Charges. Details of charges are set out separately in Part D.

Illustrative Description:

The **Fund** at the beginning of the quarter of the **Financial Year** is W1. The yield on W1 is m%.

The new money expected in the quarter of the **Financial Year** under consideration is say W2. The expected yield provided by **Our** investment department would be n%.

The weighted interest rate expected would be $w\% = (W1*m\% + W2*n\%) / (W1 + W2)$

The weighted interest w% will further be adjusted by deducting the guaranteed floor rate (i.e. 2%p.a) and 0.40% (Charges) and used in the following formula. x%, y% and z% defined below represent similar adjusted weighted interest rate for the subsequent quarters.

Then, the amount available at the end of 1st quarter of the **Financial Year** shall be $Q1 = P1 * (1 + a/4) * (1 + w/4)$

At the end of second quarter $Q2 = (Q1 + P2) * (1 + a/4) * (1 + x/4)$

At the end of third quarter $Q3 = (Q2 + P3) * (1 + a/4) * (1 + y/4)$

At the end of fourth quarter (i.e. at the end of one year term) $Q4 = (Q3 + P4) * (1 + a/4) * (1 + z/4)$.

If **Contributions** are received during the quarter of the **Financial Year**, the interest credit will be on pro-rata basis for that quarter. The formula then becomes $Q_i = Q_{(i-1)} * (1 + a/4) * (1 + x/4) + P_i * (1 + t/90 * a/4) * (1 + t/90 * x/4)$ where t = number of days from date of receipt to the end of that quarter of the **Financial Year** and w, x, y and z are adjusted for the floor rate and Fund Management Charges as explained above.

Part C

- (d) Non-zero positive residual additions, if any, at the end of the **Financial Year**, shall be credited to the **Policy Account** determined as:

Gross Investment Yield earned in the shadow account at the end of each **Policy Year** less

Actual yield earned in the **Policy Account** value, at the end of each **Policy Year** less

Yield referred in the reduction in yield at that duration as stipulated in Regulation 37 of IRDA of India (Linked Insurance Products) Regulations, 2013

For this purpose, the yield earned on each of the **Policy Account** shall be calculated using the money weighted rate of return method at the end of each **Policy Year**.

2. Policy Benefits:

- 2.1. If an **Insured Member** ceases to be an **Insured Member** of the **Scheme** for any one of the reasons specified in the **Scheme Rules/Trust Deed**, the accrued benefit amount specified/calculated in accordance with the **Scheme Rules/Trust Deed** will be payable by **Us to You**, provided that the **Fund Value** on the date that the payment becomes due is sufficient for the payment to be made. If the **Fund Value** is not sufficient to pay the accrued benefit amount, **You** shall bear the shortfall entirely. If the accrued benefit amounts payable in any **Policy Year** before completing three full policy years from the date of commencement of the scheme exceeds 25% of the total **Fund Value (Bulk Exits)** at the beginning of that **Financial Year**, then the amount in excess of 25% of the total **Fund Value** will be subject to the application of **Market Value Adjustments**.

2.2. Market Value Adjustment (MVA)

If the Bulk exit qualifies for MVA, the Market Value Adjustment will be calculated as given below:

- i) The market value of the underlying asset will be ascertained on the date of calculation
- ii) The difference between the Policy Account Value and the market value will be calculated.
- iii) If the above difference is positive than the Market Value Adjustment = 1-(the difference in sub section (ii) above/Policy Account Value), else the Market Value Adjustment shall be zero.

- 2.3. If an **Insured Member** ceases to be an **Insured Member** of the **Scheme** due to his/her death, the accrued benefit amount specified in the **Scheme Rules/Trust Deed** will be payable by **Us** to the **Nominee**, provided that the **Fund Value** on the date that the payment becomes due is sufficient for the payment to be made. If the **Fund Value** is not sufficient to pay the accrued benefit amount, **You** shall bear the shortfall entirely.

In addition to the accrued benefit amount the risk cover benefit of Rs.1000 will be payable by **Us** to the **Nominee** as death benefit.

- 2.4. **We** will provide an annual statement of the **Policy Account** containing details of the **Contributions** made, the Policy Benefits paid out, interest credited to the **Fund** and to **Fund Value**, to **You** free of charge.

In registering a nomination, **We** do not accept any responsibility or express any opinion as to its validity or legality.

3. Contribution Payment Conditions

- 3.2. **You** shall pay all **Contributions** in respect of all **Insured Members** in full and at the regular intervals specified in the **Group Policy Schedule** and, in respect of **Insured Members** added to the **Group Policy** after the last due **Contribution**

- 3.3 We shall not accept **Contributions** from anyone other than **You**. The **Contribution** toward the **Fund** is payable in any mode and any installment. All amounts payable to **Us** shall be in Indian Rupees and payable at **Our** Head Office, regional office or any other designated office.
4. **Surrender**
- 4.1. No partial surrender of the **Group Policy** shall be allowed.
- 4.2. If the **Group Policy** is completely withdrawn before completion of three full policy years from the Date of Commencement, **We** will pay a Surrender Value which is equal to the **Fund Value** after deducting the Surrender Charge calculated in accordance with Part E and the **Market Value Adjustment**.
- 4.3. If the **Group Policy** is surrendered after the commencement of the 4th **Policy Year**, **We** will pay a Surrender Value which is equal to the **Fund Value**.
- 4.4. In exceptional circumstances, **We** may defer the surrender of the **Group Policy** for a period not exceeding six months from the date of application, subject to prior approval from **IRDA of India**. Exceptional circumstances are:
- a) When, as a result of political, economic, monetary or any circumstances that are out of **Our** control, the disposal of high volume of investments is not reasonable or reasonably not practicable without being detrimental to the remaining group policyholders who have invested in the Fund.
 - b) During periods of extreme volatility of markets, when surrenders would, in **Our** opinion, be detrimental to the interest of the existing group policyholders.
 - c) In case of natural calamities, strikes, war, civil unrest, riots and bandhs.
 - d) In the event of any force majeure or disaster that affects **Our** normal functioning;
5. **Scheme Renewal**
- 5.1 The Scheme shall be automatically renewed on every single Policy Anniversary. There are no prescribed timelines for the payment of contributions and the Scheme will continue as long as there is adequate Fund to recover charges and settle Policy claims.

We will intimate, 30 days in advance, in case the Fund Value does not have sufficient Funds. In case the Group Policyholder fails to pay the sufficient Contribution as advised by the independent actuary and if the balance available in the Fund turns out to be zero due to settlement of benefits upon exit of Members from the Scheme the Scheme will be terminated.

3. Governing laws and jurisdiction

4. Section 45 of the Insurance Act 1938

1. No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy i.e. from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, which ever is later.
2. A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud; provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured, the grounds and materials on which such decision is based. For the purposes of this sub-section, the expression 'fraud' means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:
 - a. the suggestion, as a fact of that which is not true and which the insured does not believe to be true;
 - b. The active concealment of a fact by the insured having knowledge or belief of the fact;
 - c. Any other act fitted to deceive; and
 - d. Any such act or omission as the law specifically declares to be fraudulent.

Mere silence as to facts likely to affect the assessment of risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak.

3. Notwithstanding anything contained in sub section 2, no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the misstatement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer; provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive. A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be the agent of the insurer.
4. A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued; provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based. In case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on ground of fraud, the premiums collected on the policy till date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation. The mis-statement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact, no life insurance policy would have been issued to the insured.

Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

5. Disclosure

This **Group Policy** has been issued on **Your** and the **Insured Member's** (wherever applicable) representations that **You** and the **Insured Member** have made full and accurate disclosures of all material facts and circumstances and have not misrepresented or suppressed any material facts or circumstances.
